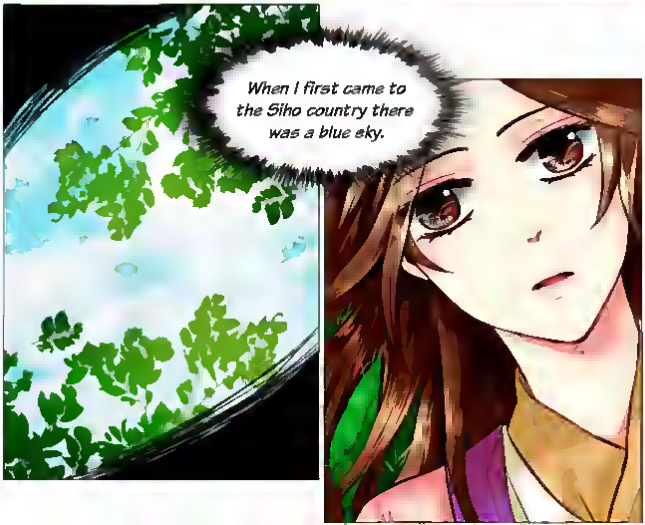
My head hurts. I think I can remember something...
Something important!



When I first came to the Siho country there was a blue sky.

It's familiar to me. I've experienced this before already. Now I want it to stop...
I think I am forgetting something important...
THE EXAM!

I shouldn't lie down like this!
Ah, I came into the past!
What is that woman really about?
What should I do now? Why did she send me here?

I should find some people and ask them first.
It's definitely not clear, but I don't think she sent me here without a reason.

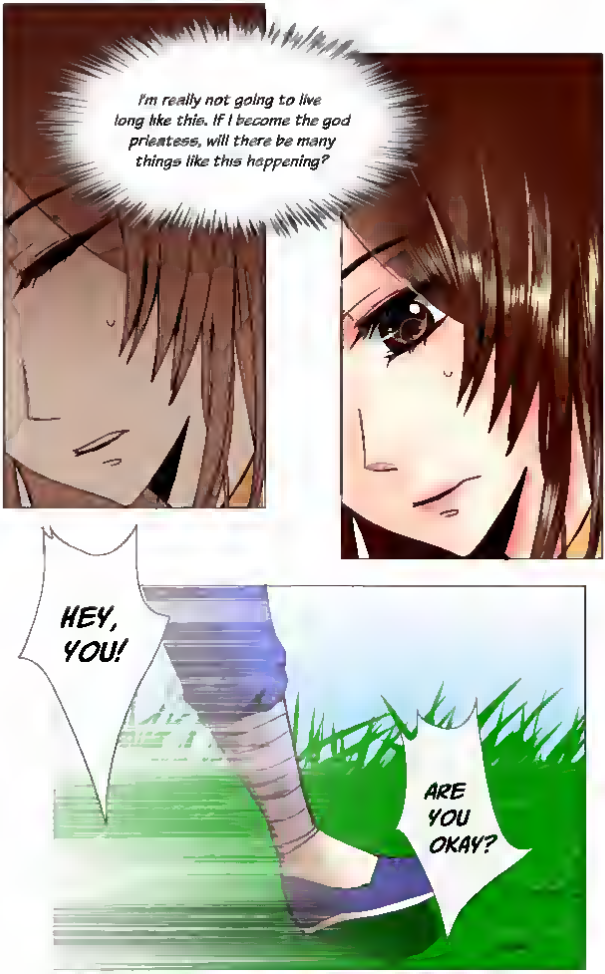
She is not a god priestess, and she is only human. How can she do something like this?
Is she a ghost?

FLY

PIERCE

Arrow... arrow?!
gulp
That landed really close to me!

Uwa.
Uwa!
W-What
is this..
what?!
When I arrived at country Siho, I got a big suprise.
I almost died because of that king...
Why do I have to go through something like this so much?



I'm really not going to live long like this. If I become the god priestess, will there be many things like this happening?
HEY, YOU!
ARE YOU OKAY?

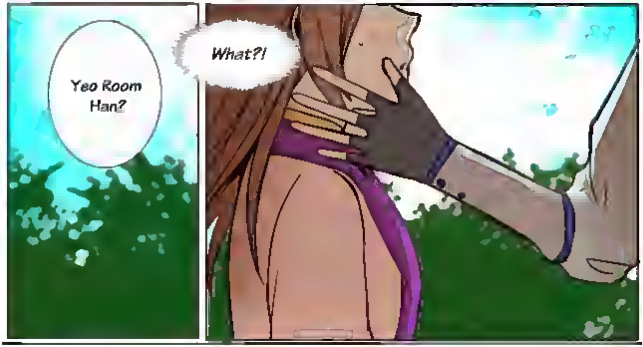
I AM SORRY! ARE YOU OKAY?
I DIDN'T KNOW THAT THERE WOULD BE PEOPLE HERE!
...!
It is a familiar voice. Maybe...!

...?!
sit down
You look very suprised.

It's as I thought! Ryu Hyun!
Are you hurt anywhere? Let me see.

It is alright.
...You...

That can't happen?
Look, how about you tell me where I am
But, she's the same.
This body, this voice!



Yeo Room Han?
What?!

Your relaxed and dumb looking face.
Your face, your way of talking and your voice...

HOW COULD YOUR FACE LOOK THE SAME AS BEFORE?!
HOW COME YOU ARE HERE?

What do you mean?
PRINCE!
flinch

There is a lot I want to say to you and I want to hear a lot from you, but first, follow me.

...What? Does he know me?
Let's go there. Do you know where that is?
This exam will be over in about a month...

I will leave everything about the festival to you and Seon Woo Baek.
Your highness, it is Han Wi
Let him come in.

Did you finish placing the soldiers?
Yes. I put them in the West and the North.

I also put more guards at the entrance of Chung Hwa palace. All we have to do now is wait...

Does that mean that you have moved soldiers around?
Your highness?!
It's like he said I moved the soldiers around and doubled the guards around the Chung Hwa palace.

Didn't you say that there shouldn't be more guards posted around Chung Hwa palace?
It's for the possibility, that
the child really is the god priestess. Tonight,
there is a possibility that something will happen here. We can find the answer.
...Your highness!

YOU HAVE DONE SOMETHING USELESS AGAIN!
..Ha?
What if she's not the one?!
If sha is not, then wa can punish her and make her responsible. But if she is tha one..
I need witnesses. Third party witnesses who are not me or people close around me.
Continued in next episode...

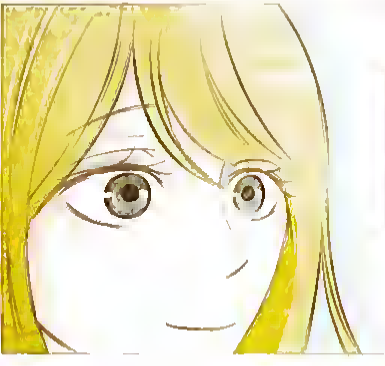
Around



Did I forget to put up the closed sign again?

Hey... This might sound a little strange but... I have a really important question to ask you. So please don't get mad at me.
When does the next chapter of the Scholar Who Walks the Night going to be released?

• • •

That's classified info...
I really need to remember more often to put up that closed sign at night...
So I can't say anything.
I see... Well it was worth a shot. Looks like I'll just have to keep checking the blog.
